FOREWORD

This is your *Handbook of Information*. It comes to you later than normal so that the election results of the thirty-sixth Triennial Conference might be reflected. It should be as nearly correct as we could produce it, allowing for human error. The basic format was not changed, though a number of individuals did offer helpful suggestions. Perhaps the next editor can study the possibilities of a revised format.

Our hope is that the information in this Handbook will serve you in a helpful way. We have attempted to report faithfully the information given by so many of you. Our prayer is that the Lord may bless His church in our day, and us in His service for the cause of Christ.
